WORK EXPERIENCE

Web Design & Development Intern

TechnoHacks Solutions Pvt. Ltd | Full-time | Remote - INDIA

April 2025 – May 2025

- Completed a 1-month internship designing responsive UIs using HTML, CSS, and JavaScript. Built real-time projects, applied UI/UX principles, and gained hands-on experience in web development and problem-solving.

PROJECTS

1. SL Learn - School Student Learning Platform

Comprehensive Sri Lankan school student learning platform supporting students, educators, and administrators with dashboards, multi-language content, career guidance, and basic analytics.

Tech Stack | HTML5, CSS3, JavaScript, Bootstrap, PHP, MySQL

2. E-Commerce Web Application

A full-stack e-commerce platform with user authentication, product catalog, shopping cart, payment gateway integration, and admin dashboard for inventory management.

Tech Stack | PHP, MySQL, JavaScript, Bootstrap

3. Educator Dashboard - SL Learn (Frontend)

A front-end focused dashboard for teachers to manage courses, upload resources, create quizzes, and track student progress with multi-language support.

Tech Stack | HTML5, CSS3, JavaScript, Bootstrap

4. Java Number Guessing Game

A simple interactive game where users guess a randomly generated number. Demonstrates use of random numbers, loops, conditionals, and user input handling.

Tech Stack | JAVA, OOP

5. Personal Portfolio Website

A modern, responsive portfolio website showcasing projects, skills, and experience with smooth animations, particle effects, and interactive UI elements.

Tech Stack | HTML5, CSS3, JavaScript, PHP

6. Dynamic Web Application

A responsive web application with database integration, RESTful API, CRUD operations, and modern UI/UX design principles.

Tech Stack | React.js, Node.js, Express, MongoDB
