

# Chanthirasegaran Dhanushiya

## OBJECTIVE

Motivated and hardworking IT undergraduate with a passion for **web development, UI/UX design, and creative technologies**. Currently building strong foundations in **programming languages** like Java, C, C#, and Python, and gaining hands-on experience through internships and personal projects. Eager to contribute to innovative teams, enhance my technical skills, and grow into a successful professional who can make a meaningful impact—both in the tech world and for my family.
